Joint Status Report

Case No. 5:19-cv-07547-SVK

1	Plaintiff Tracy Hankins ("Plaintiff") and Defendant Calix, Inc. ("Defendant") (collectively		
2	the "Parties"), through their undersigned counsel, submit the following Joint Status Report per the		
3	Court's January 21, 2021 Order.		
4	The deadline to file dispositive motions in this case has now passed. The Parties did not		
5	file such motions, as they have reached a settlement and are in the process of finalizing the		
6	agreement.		
7	The Parties mediated on November 16, 2020, and in the following days they agreed upon		
8	a monetary settlement amount. There were various rounds of edits to a proposed settlement agreement, and the Parties finalized such agreement on February 19, 2021. The settlement is		
9			
10	currently being held up as, according to Plaint	ff's counsel, Defendant's long-term disability	
11	insurer has failed to produce documents required by the Employee Retirement Income Security		
12	Act of 1974 ("ERISA"), 29 U.S.C. §1024(b)(4). The Parties hope to resolve this issue shortly such		
13	that they can fully execute the settlement and dismiss this case with prejudice.		
14		Respectfully submitted,
